

Anti-Bullying Charter for Parents at Canon Sharples

- I support the school values of PEACE, FELLOWSHIP, FRIENDSHIP, RESPECT, LOVE and TRUST and show them with my dealings with school.
- Bullying is deliberate and persistent acts of victimisation either verbal or physical indirectly or directly.
- Bullying is not one off disputes, quarrels or fights between children
- The teacher is the first point of contact if I am concerned about a bullying issue with my child.
- My concerns will be taken seriously, recorded confidentially and investigated by the class teacher.
- I will be involved with the discussions arising from any such investigations with the class teacher.
- Staff will monitor relationships in the future to ensure a successful long term conclusion to the original incident and inform me if necessary.
- I can make an appointment to meet with Mrs Woodcock at any time in this process if I am unhappy or unsatisfied.
